

Bonnet Shores Land Trust Meeting April 21, 2015, 6:00PM

Members present, Terry Duffy, Brad Sellon, Anita Langer,
Paul Haas

Brad Sellon made a presentation concerning a pathway over paper roads and some already acquired lots that would provide vistas and safe passage around the pond. The trust will support this effort along with a larger comprehensive plan for presentation to the council.

It was agreed that Terry would informally seek advice from Atty Ted Reidy as to a proper approach and method for moving forward and gaining access to the paper roads.

Councilman Fracassa and Terry Duffy met with the owner of 310 Col. John Gardner Rd. (Maurizio Nicolelli) regarding possible moving of the right of way. The details of this conversation are attached and will be forwarded to the BSFD Council.

Brad Sellon will make every effort to get an insert in the tax bills promoting the activities of the trust. The council has agreed to this process.

A proposed budget for the year 2015 to 2016 was approved unanimously and will be submitted to the annual meeting for approval. The amount proposed is \$3000.

Respectfully submitted,

Paul F. Haas, Secretary
