

RESOLUTION

The BSFD Land Trust resolves to address community concerns for pedestrian and bicyclists' safety on the Bonnet point Rd. causeway as follows:

- * Use the BSLT property abutting the causeway to construct a pedestrian/bicyclist walkway safely off and adjacent to the roadway. Professional engineering and architectural plans will be developed with the collaborative guidance of all /any town, state, federal agencies.
- * Funding of this project will be from all sources both public and private. Solicitation of funds will be done by a volunteer community action committee.
