**RE: BONNET SHORES LAND TRUST**

Dear Mike:

The Bonnet Shores Land Trust (BSLT) met on October 12, 1994. All members of the Land Trust were present with the exception of Robert Leary. The Land Trust elected the following positions and terms of office.

Michael Falvey	Chairman	3 Years
James Dewey	Vice Chairman	3 Years
Lee Listro	Secretary	2 Years
Leonard Friel		2 Years
Robert Leary		1 Year

The Land Trust members discussed the transfer of land from the Fire District to the Land Trust in order to preserve the land and to reduce the tax burden on the taxpayers of the Fire District. The following are the parcels which we feel, at this point in time, would be appropriate to be part of the Land Trust. The Bonnet Shores Fire District Council would have to vote to convey the title of these parcels to the Land Trust. The Land Trust members would then need to vote to accept these parcels and the BSFD Council would then need to vote again, per the Land Trust legislation, to accept these parcels into the Land Trust.
