Approval of Minutes:

Minutes of the Minutes of the February 22nd, 2021 had been sent out to Trustees just before the meeting and Trustees did not have time to review them prior to the meeting. Approval the minutes from February 22nd will be voted on at the May 2021 meeting.

Old Business:

Walking Trail

There was much discussion relative to the Walking Nature Trail, behind the Community Center, that Neal and Lenny had started mapping out. Originally it was thought that that area was mostly water and might be too wet for a trail to be set. When clearing and mapping the trail, Lenny took a video of the trail, showing the condition of the wooded areas. Two small brooks will need bridges built to allow for crossing and the hopes are that the trail will be able to connect to a trail at the end of Spring Brook. After reviewing the video and other pictures depicting the trail set to date the Trustees were encouraged to see additional work done on mapping the trail. A date was set for Neal, Lenny, Arthur and John Carvalho to work on the trail.

Neal will continue looking at landscapers that may be available to help clearing the trail with a brush-hog.
